

**NOTICE OF EMERGENCY CHANGES
TO THE 2013 UTAH FISHING GUIDEBOOK
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH**

I, Gregory Sheehan, by authority granted in Section 23-14-8 of the Wildlife Resources Code of Utah declare an emergency amendment to the 2013 Utah Fishing Guidebook. The following has been amended:

COTTONWOOD RESERVOIR, (Uintah County):

- INCREASE the daily bag and possession limit for tiger muskellunge from one (1) tiger musky over 40 inches to two (2) tiger musky any size.

This change is effective May 1, 2013 and will remain in effect until January 1, 2014.

The Division's Northeastern Region Office has plans to treat Cottonwood Reservoir to remove carp, black bullhead, and other undesirable species in October 2013. Limits are being temporarily liberalized to allow anglers to harvest tiger musky that would otherwise be lost.

All other rules established in the 2013 Utah Fishing Guidebook remain in effect.

UTAH DIVISION OF WILDLIFE RESOURCES
